

Issue 1

Constitutional amendment to require 60% approval vote for all future constitutional amendments

*Strong Communities.
Better Lives.*

Since 1912, a simple majority of Ohio voters (50% + 1 vote) is needed to pass any Ohio constitutional amendment.

Issue 1 Would...

Increase the minimum threshold for approval of constitutional amendments to 60%.

Increase signature requirements for citizen-initiated amendments

Remove the second chance period to gather additional signatures

Get Out and Vote!

The Ohio constitutional amendment process is one of only a few avenues for citizens to enact legal change.

However you're voting, your voice is vital in deciding if and how citizens' access to the ballot initiative process might change for the foreseeable future.
